\* Factors that could make a case more complex include;

- *Making amendments to claims*
- *Providing further information on an existing claim*
- *Defending claims that are brought by litigants in person*
- *Making a costs application*
- *Complex preliminary issues, e.g. when claimant is disabled*
- *The number of witnesses or documents*
- *If it is an automatic unfair dismissal claim (e.g. dismissed after whistleblowing)*
- *If there are allegations of discrimination linked to the dismissal.*

\*The number of days spent at a Tribunal Hearing will depend on the complexity of the case – we will be able to give you a more accurate estimate of costs once the case has been explored.

\*Please note that a £30 + VAT storage fee will be added to the final bill.
